ARTS AND CRAFTS

Club Description

Offering additional artistic skills and methods to the areas covered in the curriculum. This club is carefully planned towards the children's current abilities and experiences.

Allowing for the children to consolidate and practice artistic methods, experience new media and techniques, and to learn about artistic cultural scenes through the years.

A time designated for the children to explore their creative side.

This is a great opportunity for children to:

- Open up interests to new media and artistic methods
- Unlock adventure and creativity
- Problem solve and think outside the box
- Self reflect and critique other artistic works
- Carry out long and short term art projects

Courses availability

Club must be booked for the entire semester. See terms and conditions for further details.

Minimum of 3 children to start club. This club runs during the first week of the school year, during both project weeks and on sports day (unlike other after school clubs).
