Course Description

The after school club will be held by Fariha Reza, who joined the Tandem IMS teaching team in 2018. She has graduated with a Master's degree in language didactics from the Sorbonne University in Paris. With 5 years of experience, she has taught French to all ages and abilities. For Madame Reza, the secret of a successful course is to build the course according to the interests and needs of the learners, in a playful and stimulating way. The club is for all children between the ages of 6 and 10 who want to have a good time while practicing French. It offers the possibility to develop oral and written communication skills in this language.

The weeks will be divided into several themes and in each theme, we will discover the French culture through books, music, art, cinema, etc. The different themes will allow the children have fun while developing their vocabulary and grammar. Each theme will have been carefully chosen according to the cultural events calendar in the French-speaking world.

What will the themes be?

Here are some examples of themes for the first semester: families and friends, culinary world tour, la francophonie in music, game of the five senses, big monsters, a wonderful Christmas, colours through seasons

Madame Reza also gives private lessons to Tandem students who want support in learning French. Very familiar with the Loustics books, she accompanies the students all year long with a tailor-made program and in consultation with the French teacher Madame Areitio. Classes can be held at the Tandem IMS school, online or at the child's home
