## PIANO TUITION

**The Swiss International Music School GmbH** aims to help students develop their musical potential in the most creative and expressive way. They believe that developing musical abilities and appreciation from a young age is a fundamental foundation for every child. Learning the piano develops: rhythm, understanding of sequences and patterns, reading skills, language development, fine motor skills and improves dexterity and hand-eye coordination. Playing music is not only rewarding for children but has been shown to reduce stress.

- 30 or 45 Minute classes available
- Opportunity for end of year concert
- ABRSM piano exam and music theory preparation at any level
- “ABC” approach or “Do Re Mi”
- Multilingual teacher
- Individual teaching tailored for the child

### Course booking

Lessons must be booked for the entire semester. See terms and conditions for further details. First priority is given to children already taking lessons - a waiting list is possible. Additional costs apply for ABRSM examinations and piano books. Examinations are not compulsory.

Please note, that Tandem IMS Zurich has a strict **NO NUT POLICY** due to allergies within the school.
