SCHOOL CHOIR

Tandem IMS is proud to present their first ever school choir!

Singing as a group is great fun and has the power to bring different ages and abilities together to successfully create something special in the arts. This fully inclusive choir, which requires no auditions and is run by the experienced and always upbeat music teacher Miss Penrose. This workout for the lungs, will provide a safe space for children to enable them to utilise their voices and to express themselves freely through a variety of modern and classical song genres. The choir's journey and achievements will be celebrated in performances throughout the year to lift the spirits and to build the school's community!

Benefits of children singing in a school choir:

- Strengthens feelings of togetherness and promotes bonding and social skills
- Releases anger, anxiety and stress
- Increases self esteem
- Learning lyrics develops language development, reading and memory skills
- Improves singing technique and ability
