Self expression learned through drama is one of a kind!

Although acting and dancing form the basics of a drama class, self confidence is the biggest gift children walk away with.

Benefits from the course:

- Ability to think on their feet to prepare children for presentations, job interviews and making quick decisions in life.
- Communication skills are learned through practice and play while the children are often exposed to situations through which drama teaches them empathy.
- Acting techniques including vocal skills and movement will improve the student’s theatrical skills.
- Drama club is a safe place to push one’s boundaries, develop range, and discover oneself as an actor. It requires a great deal of risk, experimentation and most importantly an open mind!

The drama teacher will be announced In August 2022. The teacher will be provided by [Masterplan AcadeMe](#).
