PLAYBALL & PLAYSOCCKER

Club Description

Designed for 4 - 6 year olds, to actively promote a healthy lifestyle and a passion for fitness from a young age. This course will combine the popular Playball concepts with the new Playsoccker course.

Playsoccker will take place when the group are able to go outside. Playsoccker will teach a variety of technical soccer skills in a variety of game formats. Focus will be put on developing the following soccer skills: dribbling, defending, scoring, positioning, passing, team work and application and following of game rules.

In addition the Playball program will develop skills through play and structured games to form an essential base for the following sports: hockey, baseball, basketball, tennis and volleyball.

This combined course teaches a wide range of sports skills whilst developing coordination, agility, speed, confidence and fitness. A positive, pressure free, confidence boosting environment will be maintained to nurture individual development. This course aims to prepare children for years of positive and competent sport participation. For more information about Playsoccker and Playball see the website:
