## GUITAR & VIOLIN TUITION

The Swiss International Music School GmbH offers children professional and structured Guitar and Violin lessons. Their curriculum guides students to become confident and enthusiastic musicians who can express themselves fully. Students are given freedom in regards to the songs, materials, topics and styles they want to study. An introductory guitar program would cover: correct hand and body positioning, tuning the guitar, music reading in the 1st position, chord and guitar rhythm studies, guitar technique, music notation, guitar care and maintenance. Violin program helps students discover their artistic potential on the violin and achieve their musical ambitions.

- 30 or 45 Minute classes available
- Opportunity for school performances, creating a school band and studio recital (optional)
- Preparation for ABRSM guitar exams at any level
- Bilingual teacher (English / Portuguese)
- Individual teaching tailored for the child
- Guitars/ violins can be borrowed for a trial lesson and rented or purchased from the music school.

### Course availability

-Lessons must be booked for the entire semester.

-First priority is given to children already taking lessons.

-A waiting list is possible. Additional costs apply for ABRSM examinations and guitar books. Examinations are not compulsory.

**-At the end of the school year SIMS run their own concert. It is optional for parents to sign their children up. The SIMS concert is completely externally organised and it is not the responsibility of Tandem IMS to share information, promote or support the running of the event.**
