Curriculum

Tandem's curriculum for the Early Years is based on learning through play, imagination and self discovery.

There are four main themes that take place within the year. They are designed to incorporate children's learning needs and styles during this formative stage. Units:

- Me, Myself and I
- Communication Tools
- Familiar Settings Around Me
- Nature

The curriculum themes are designed to build the children's understanding of their surroundings, growth and progress. These themes allow for focused child centered planning and child initiated learning.

Your children learn a variety of important skills through play

These include:

- Language
- Personal and Emotional Skills
- Interpersonal Skills
- Gross and small motor skills
- Health and Hygiene
- Mathematics
- Problem solving
- Reasoning skills
- Art and Music
- Personal expression
- Autonomy over learning
- Creativity
- Imitation play

How learning takes place

Weight and volume

Pre-writing mark making

Size recognition

Many simple and everyday activities provide a secure foundation that can be built upon for future learning in all academic areas.

In order to fully participate in the learning, children will get very messy. For this reason we suggest that your child wears comfortable clothing that is paint friendly.

Daily Timetable Seahorses

Morning Routine/Tagesablauf		Afternoon Routine/Tagesablauf	
7.30-8.45am	Early Care/Frühbetreuung	12.00-2.00 pm	Sleep and quiet time/schlafen und Ruhephase

Covid-19 Sickness Policy

Can my child go to school?

Covid-19 Measures

- Please wear a mask and disinfect hands upon entering the school building.
- Please bring in only one sleep/comfort item for your child and no other toys.
- Do not bring in any snacks from home, except for packaged food from the bakery or shop.
- Please make sure to keep a distance of 1.5m between adults.
- Only one parent per child is allowed in the entrance area during pick-up and drop-off times.
- Parents are not yet permitted to enter the classrooms during drop-off and pick up times.

Child's Absence & Sickness Policy

- **Absences due to illness:** If your child cannot attend school because of illness, please send an email to your child's class teacher. Please do not use the Famly App to report absences.
- **Illness during the school:** If your child becomes ill during the day, we will contact you and ask you to pick him/her up (e.g. fever, vomiting, diarrhoea)
- **24 hour policy:** In order to protect the children and our staff, we kindly ask all parents to respect our 24 hour policy "free of fever and symptoms for 24 hours before returning".
- **No Medication:** To protect the children and the staff, we do not administer any medication, including homeopathic remedies. If your child needs medication due to an allergy or medical condition, please complete a Health Plan with your child's class teacher.
- **Holidays:** If you are planning to go on holiday, please inform the school office about your dates as soon as possible.

Security Measures

Pick up - New Person

If someone unknown to the school is collecting your child, the name must be sent to the office and the child's teacher. Photographic ID will be asked for before letting the person leave with your child.

Late Pick Up Policy

Late Pick-up after 16:00

Children without Late Care must be collected no later than **16:00**. We must insist on this point, due to the legal numbers of children enrolled in the Day Care programme and the ratio of staff-children.

Any child who is not picked up by 16:00 will be sent to Late Care and the parents will be invoiced for this session. This is a flat rate fee of CHF 35 - irrespective of the late arrival time of the parent.

Late Pick-up following Late Care after 18:30 – CHF 50 per 15-minute period

Between 18:30 and 18:45 – CHF 50

Between 18:45 and 19:00 – CHF 100

A late pick up of even 15 minutes may have caused the teacher in care to miss his/her train, which can result in a 30 minute to 1 hour delay in returning home, or indeed be late for another private, professional or medical appointment. This therefore justifies the charged fee and it is non-negotiable.

TEACH for Parents

- We encourage parents to become members of TEACH and in this way to support the children in one of our African partner schools.
- You will be involved in a wonderful charity programme and be given the opportunity to participate regularly in fundraising activities and/or you will receive regular information.
- Your children will learn the joy of giving and have the opportunity to learn more about various tribal teachings such as community, leadership and respect. They will be made aware of the needs of children on the other side of the globe.
- Creating lasting memories of Tandem IMS as an alumni to support TEACH is being set-up.

PTA Role

- We support activities and events to enhance our children's school life.
- We represent the parents of our child's class with our ideas and decide how to invest PTA funds.
- We nurture the communication with the teachers and the school

Our PTA Team in Zollikon

- Mums, Dads & couples
- Working & stay-at home parents
- 1-3 parents of each class
- Multiple nationalities
- Committed for 1 school year
- Volunteers – Parents welcome to help at certain events without joining PTA full time

PTA Benefits

- You'll make a huge difference – for the children, the other parents and the school as a whole.
- You'll be better connected to your child's, or children's, school experience – you show your dedication.
- It's fun and rewarding.
- You'll make new friends and help make the school a great place to learn and grow.

PTA Activities

What we do and what we need from you:

- PTA meetings of 1.5 h every 4- 6 weeks, Monday and Wednesday alternating
- Commitment: for 1 school year, coming to the meetings as often as possible, helping with tasks such as organising events, supporting activities etc.

Parent Meet and Greet	Halloween Party
Christmas Performance	Christmas and Spring Markets
World Book / World Maths Day	Graduation

- If you would just like to support an event – a sign-up list will be sent via newsletter.

How do I help as a parent?

For many children this will be their first experience in a school environment. We understand and respect that you know your child best. We value the time that you take to build a relationship with us in order to ensure your child's entrance to school and the time they spend with us is as smooth and enjoyable as possible.

During their time with us, your children will pass through many developmental milestones. Your child will have a greater sense of achievement and success when we are able to work in collaboration.

Please remember to label all your child's items.
Many thanks!

Sun Cream and Outdoor Clothing

Sun Cream

During the summer months we may change our daily timetable to avoid the hottest part of the day and will go outside in the morning.

Please help us maximize our time outside by putting sun cream on your child before school.

Outdoor Clothing

As the seasons change please help us to maximize your child's outdoor learning by ensuring that they have suitable outdoor clothing for the season.

Stroller Storage Shelf

Our new entrance area features a built-in stroller storage shelf, made for the BabyZen YoYo compact stroller. This storage space maximises the space our children need to dress and undress every day. Please do not leave your personal strollers in the entrance area. We appreciate your support in keeping our entryway safe and tidy.

If you would like to use a Tandem IMS compact stroller, please see Lynn Booth or Sandra Beha in our school office. These strollers are free of charge, and we ask that a User Agreement is completed before use.

If you already own a BabyZen Yoyo or other similarly compact stroller, you are welcome to store it in the designated shelf.

We are always happy to meet and discuss your child and his or her development with you.

Please feel free to approach us or e-mail any time to arrange a meeting.

We hope that you enjoy your time with the Seahorses!
