Holiday Care

Separate Bookings (No Package) for Early Years and Pre-School

Definition of Holiday Care

Tandem IMS offers Holiday Care during 6 defined weeks (see school calendar). Please note that spaces are limited. This service is mainly to support working parents.

Program and Times

During these weeks, there will not be normal schooling. The daily routine will though generally be kept. Our trainees and apprentices will organise these special subject weeks. Like this they get the opportunity to lead their own little group of approximately 5 children. Teachers are around. Holiday Care is offered according to the Day Care times of the respective school location. It is best to bring the children according to the times they usually come.

Booking

If parents need Holiday Care during all 6 weeks on offer, it is best to choose the Holiday Care Package (see attendance form). If only some days are needed, then a separate booking with this form may be the best choice.

Fee

The price for separate bookings is 160 CHF per day and child. Breakfast, snacks, lunch and costs for materials are included in the fee. (Exception: milk and special foods for all children under 18 months). Fees for individually booked days will be billed separately. Holiday Care Package fees are shown on the regular, quarterly invoice.

To be filled in by the Parents & Tandem
