2017/18 For Pre-School and Kindergarten aged children

Lego Big Builders

Wednesday, 16:00 - 17:00

Lego Big Builders is a unique enrichment program for budding young engineers. Developing children's tactile, motor, and spacial skills while teaching science and engineering principles using K'Nex®.

Program subjects include

-  Physics principles: e.g.: balance and buoyancy
-  Animal kingdom: Various animals - domestic and wild
-  Biology: Natural pest control, pollination and symbiosis
-  The Universe: Space, earth and the solar system
-  Geometry: characteristics of basic geometric shapes
-  Transportation and traffic safety: different types of vehicles including motorcycles, trucks, cars and boats

Lego Big Builders develops

-  motor skills
-  social interaction
-  self expression
-  creative thinking
-  a broad knowledge for future learning

Children best absorb subjects taught through play and experimentation.
