

2018/19 For Primary aged children

French club

Monday, 16:00 - 17:00

Club Description

This course is fun, dynamic and well structured with child friendly teaching methods used to prepare children for the DELF examinations. DELF diplomas are **internationally recognised** certificates for French language skills. They are used as a benchmark in a number of situations and are valuable for your child's future.

French club is run by the friendly and experienced French teacher Amaia Areitio, with over 6 years teaching experience, she has a proven track record in successfully helping International students to confidently pass the DELF examinations.

This is a great opportunity for children to:

- ★ Prepare for DELF examinations.
- ★ Develop their oral proficiency as well as to expand their knowledge of the language through a communicative and playful approach.
- ★ Gain insight into French culture through a variety of activities such as music, games, videos and short stories.
- ★ Benefit from additional support to boost confidence in examinations and reduce stress.
